Re: Tax Abatement Compliance for NSK Corporation

Dear Mrs. Monson:

Enclosed please find Forms CF-1 (Compliance with Statement of Benefits) regarding compliance with the real and personal property tax abatements which were granted to NSK Corporation in 2010, 2013, 2016 and 2022 under Franklin Common Council Resolution numbers 13-20, 16-19, 2022-07 and 2022-08.

Per our supporting documentation, previous conversations, and previous years' compliance packet letters regarding Resolution 13-20, we did not meet our original capital expenditures target of \$20m. We had a substantially smaller investment, some of which was due to business we did not win, and some of which was canceled due to changes in business plans at global headquarters due to lost business and significant currency fluctuations between the US dollar and the Japanese Yen. We do have additional capital expenditures not yet placed in service to be reflected in future periods.

Regarding Resolution 16-19, NSK has achieved the full amount of capital investments projected under Resolution 16-19.

Resolution 2022-07 and 2022-08 are in the early stages of making the capital investments and job creations but are still on track to meet the requirements.

Please review the enclosed documents, and if you have any questions or concerns regarding this matter, please feel free to contact me.

Sincerely, M. Jall
