PROGRAMMING

The ice skating rink was a success. There were a total of 1,868 skaters during our open hours. We only had to close 2 partial days because of rain. Field trips were a hit with the students and teachers. We had 562 skaters for our field trips. We tried to ask people where they were from and it was interesting. We had people from the following: Franklin, Shelbyville, Edinburgh, Greenwood, Trafalgar, Plainfield, Columbus, Fishers, Hope, Bloomington, Nineveh, Whiteland, Indianapolis, Oklahoma and some Franklin College Students. Festival Country reached out to see if we would be interested in doing it again next year. While we are appreciative, we told them that we would rather it be a special event every few years. We think it would be good to be in a different community each year. It was fun but it was a lot on our staff at a time of the year when we usually have some down town and can plan for the next year.

Holiday Lighting was a fun day, as always. The weather was perfect and the crowd was amazing.

ECLIPSE:

The committee continues to plan for this historical event in April 2024.

SPONSORSHIPS AND GRANTS:

2024 sponsorship packets have gone out to past sponsors and some new ones. I will report as we get those sponsorships. We have secured \$25,000 so far!

Merry Christmas and Happy New Year!
