# Facility Reservations

- We have a church group starting to rent on Sundays through the end of the year. They are renting Beeson Hall, the Kickapoo Room, the Arvin Room, and the Multipurpose Room. The first week went fairly smooth and we are hoping each week gets easier and easier for set up/tear down. Their main goal is to grow a little while they are here and then have their own facility starting next year.
- The process for updating the sound system in Beeson Hall is moving along. I am meeting with Rick and the company doing the upgrades on Friday morning to do a walk through and start getting more details finalized on where things will go.
- We are also looking in to getting a more advanced keypad system for the doors at the Booker T Washington Community Center for renters to use. Rick is working with a company on getting a quote for that so renters do not have to stop in and pick up a rental key; they will get a code and key that in to the keypad on the day they have it rented.
